HISTORY OF FAMILY COMMUNITY LEADERSHIP (FCL)

National:

Family Community Leadership (FCL) is an educational program to develop individual skills and confidence for leadership positions and to help citizens understand policy issues relating to families and communities. Historically, the program was co-sponsored by FCE and the Cooperative Extension Service (CES). Initial funding for the program was provided by the W. K. Kellogg Foundation of Battle, Creek, MI.

From 1981 through 1986, the program was piloted in six western states: Alaska, Colorado, Hawaii, New Mexico, Oregon and Washington. Following a national dissemination in 1986, the W.K. Kellogg foundation provided funding for implementation of the program in all 50 states and 3 territories. In 1992, a national evaluation was completed documenting success of the program and providing recommendations for continuation beyond the Kellogg funding.

In 1993, by agreement of the partners, FCE assumed the management of the FCL program. Kellogg granted funds to set up FCL offices in four geographic regions and to pay for a staff person at FCE Headquarters for one year. The logo and name are trademarked by FCE.

Maryland:

In May 1987, Anne Arundel, Baltimore, Carroll, Dorchester, Frederick, and Howard counties became pilot counties for the program. Maryland participated in a regional training and sharing with the District of Columbia, Delaware and West Virginia, in August 1987.

Maryland received its' Kellogg \$50,000 grant in 1989. The program was structured by a Policy Book of guidelines and reports had to be made to the Kellogg Foundation.

There was a governing Board, which consisted of nine members (3 FCE, 3 CES and 3 Members at Large). The Board met four times a year. The University of Maryland Volunteer/Leadership Coordinator and the Maryland FCE President attended these meetings.

The basic training program consisted of thirty hours of training in five areas:

- ❖ Leadership and Communications
- ❖ Working with Groups
- ❖ Issue Analysis and Public Policy
- ❖ Volunteerism
- ❖ Teaching Methods

Each participant was required to give pay-back time of twenty-four days in team teaching for training others or time given in other leadership positions.

In December 1992 the Maryland Kellogg grant terminated. The Policy Book was reviewed and revised to assume a new structure under FCE management. In July 1993, the Maryland FCL Board was dissolved. A standing five member FCL Committee (three FCE members, one CES member and one Member at Large) was formed. The Maryland FCE Vice President for Public Policy chairs the committee. The University of Maryland Volunteer/Leadership Coordinator and the Maryland FCE President attend meetings. Sub-committees of Program, Marketing and Financial Funding supplement the FCL Committee.

Various types of training, networking and certificate granting are according to National FCE-FCL guidance.

In 1998, the FCL committee became a part of the Maryland FCE Educational Committee. The Vice President of Public Policy serves as the chairman of FCL for Maryland FCE. FCL will offer programs and activities through the FCE educational committee.

Maryland FCE Membership Chairmen Responsibilities

Instructions for Maryland FCE Membership Chairman

Yearly Responsibilities:

Early to Mid-August (following National FCE Conference) through September:

- Confirm that the new NAFCE membership application form (with any dues changes) was received at the National FCE Conference. Contact the MAFCE representative(s) to the National FCE Conference OR our State President about the new form.
- Write “*Look What’s Happening*” article regarding the next year’s dues and submit it, with the new NAFCE membership form, to the LWH newsletter editor by the 1st Monday in August.
- Mail or email a reminder letter to Member Association Treasurers, including (1) the new National FCE membership form, (2) the Maryland FCE Member Association Membership/Financial Form and (3) FCE Star Pin form, in mid to late August. County FCE Treasurers are asked to return these completed forms and check (one per county) to the MAFCE Membership Chair by November 1st.
- New member recruiters must complete and submit the FCE Star Pin form (i.e., for the upcoming year) to their County Treasurers, who will forward it to the MAFCE Membership Chair.
- County Member Association Presidents and/or Treasurers will encourage members to complete and submit their new NAFCE membership forms, Star Pin forms, and checks to County Treasurers by October 1st. County Treasurers will process membership/Star Pin forms and checks, as received.
- County Member Association Treasurers will complete the **FCE Member Association Membership//Financial Form** (1 page, see attachment #1) for their county. This will be forwarded, together with the completed NAFCE membership/Star Pin forms and one county check (payable to MAFCE, Inc.) to the MAFCE Membership Chair no later than November 1st.

October through November when receiving yearly memberships:

- Receive the FCE Member Association Membership//Financial Forms, checks and completed membership/Star Pin forms from County Treasurers. Check that the dollar amounts received and member headcounts agree with FCE Member Association Membership/Financial Form.
- Record all FCE Star Pin new members and their corresponding recruiters to (1) report to National (by March 1 - for star pins for recruiters) and (2) for a later free registration drawing for our annual conference.
- Alphabetize and enter all new membership data into the Excel spreadsheet (columns A-N). Note: an asterisk (*) under type of membership indicates this is a Senior membership (S*).
- Photocopy and add any new membership forms to the current (Active) MAFCE membership notebook (photocopied new member forms will be mailed to National).
- For all renewing members, compare their new forms with the current Excel membership list and make additions or corrections (e.g., change of address, type of membership, etc.).
- For all renewing members, note the year of their renewal year in the upper left corner of their membership form (e.g., '20). Note any changes (e.g., change of address, type of membership, etc.) on their current membership form.
- Prepare **MAFCE Member Association Membership/Financial Form** (1 page, see attachment #1), by county, to include the type of registrations (Individual, Senior, Family, Youth), MD dues/Birthday money/ACWW pennies/National Dollars for Leadership/Other donations received; Check # and total \$ amount received. - Mail or hand deliver the County Member Association checks to the MAFCE Treasurer, as soon as possible.
- Prepare **MAFCE Membership Report** (2 pages, see example, attachment #2), to include breakdowns of National, State and County membership and dollar figures. Share with MAFCE Board members.

By December 1st:

- Alphabetize and mail all (new and current) NAFCE membership forms to NAFCE Headquarters, to be postmarked by December 1st, and include a Batch Cover Sheet (Batch #1, State, Date). NOTE: add a note that the next year’s MAFCE dues check will be sent by the MAFCE Treasurer, under separate cover.
- E-mail the Excel membership list to the National Treasurer and to National Headquarters by December 1st.

- NOTE: National Headquarters and National Treasurer want to receive ONLY columns A – K (first 11 columns) of the Excel spreadsheet. Maryland FCE records information in an additional three columns (L-M-N) so be sure to email ONLY columns A-K to National.
- Each membership postal mailing and email is called a Batch so this first set is Batch 1#. There are typically one to two additional mailings (i.e., Batch #2 and Batch #3) between December and the following March/April. Be sure to include a Batch Cover Sheet with each additional mailing (see above instructions).
- For additional mailings between December and the following March/April, follow the above instructions, sending these additional memberships to the National Treasurer and the National Headquarters.

By March 1st:

- Mail or email final current year's list of all FCE Star Pin new members and their corresponding recruiters to National Headquarters (so Star Pins can be provided to recruiters).

At August MAFCE Board Meeting:

MARYLAND FCE CONFERENCES

PLANNING A MARYLAND FCE CONFERENCE

General information for planning a State Conference

Additional Information

1. Request proposals from at least 3 hotels near Extension Office and/or at a central location in the County. Visit the hotel, check handicap parking, bathrooms. Schedule Conference Sept/Oct FCE Week preferred. 1st day of Conference reserve meeting room 8AM to 9PM; 2nd day 8AM-3:30PM. Ask if meals are buffet or plated. Food-2 Breakfasts, 2 lunches, 1 dinner. Entertainment 7 - 8:30PM.
2. Pick a hotel. Any hotel you talk to will want you to sign a contract with them – right away – get them to send you meal plans – which should include how many you need to have for each choice. Pick meals that they will prepare for 30 or less.
3. Get a group of members together from your county that are willing to help you with decisions – Like which hotel – meals to get, etc. This group will also help you pick the hotel you choose. This group will probably not help you with leg work, but you need them to help you work through the problems. You need this group in place BEFORE you sign the contract. You also need to know when payments are due to the hotel – BEFORE you sign and as much information about extra charges – see below – BEFORE you sign the contract!! The hotel will want a deposit when you sign the contract.
4. Ask counties that are coming if they have anyone who they know of that needs certain kinds of meals – like a vegan or someone everyone knows has a certain allergy
5. Once you have picked a hotel – start working on the price the conference will cost. You need to include the cost of the room – for a single, a double, 3 to a room & 4 to a room – and you need to ask the hotel is there is a cost for 3 or 4 sharing one room. You need to divide the cost of the conference room (if there is a cost) by say 30 – if you are shooting for 30 to come to the conference. You need to include the cost of meals. You need to know if the room comes with breakfast the day after they spend the night. If you are planning to have juice, muffins, etc. available the 1st day of the conference you need to find out the cost of that – per person – and include that in the total price.
6. You need to find out from the hotel if there are extra charges – i.e. for extra tables – to set things on – for a microphone – a projector, a screen – if needed – power point – special meals – i.e. for a vegan or vegetarian – a handicapped room. Be sure all rooms are on the 1st floor if the hotel does not have an elevator!! You will also need to cost a room the day before the conference and the day after – for anyone who wants to come early or stay late.
7. State will pay a maximum \$200 for evening entertainment.
8. Obtain Deposit check from State Treasurer. Watch for changes in set up charges on Contract. Ask and include on Contract when Cost is to be paid – i.e., before 1st day of Conference, end of Conference, 14 days ahead of Conference, etc. A 20% overhead charge is applied to all food and beverages.
9. You need to give the sales director the MD Tax exempt certificate (copy unless they need to see the original). Overnight guests pay the State Treasurer who will pay for the rooms (tax free). Make sure the front desk who checks guests in is aware of this.
10. Request table cloths for all tables, eating and display. Have water pitchers on eating tables. You need at least 7 display tables plus a Registration table with 2 chairs and a small table for power point. Have speaker bring their own lap top, power point projector or obtain from Extension at no cost. See if the hotel will provide centerpieces for officer and eating tables at no cost.
11. Put on Registration Form - handicapped and food restrictions. Put Registration form in Summer LWH and directions to Conference in Fall LWH newsletter. Appoint the County Treasurer or other member to receive registrations and deposit checks in Bank.

ACWW is a non-political, non-sectarian, international organization of 460 member societies (over nine million members) in 74 countries. It works to improve standards of living for all women and their families through its worldwide projects. ACWW also works with the United Nations on a consultative basis as a non-governmental organization (NGO). The work of ACWW is supported through memberships, Coins for Friendship donations and contributions to specific projects. The ACWW Triennial, a world conference, is held every three years.

Country Women's Council, USA (CWC)

Many state FCE associations are affiliated with CWC. CWC is a coordinating council composed of ACWW member societies in the United States. It meets annually to promote the work of ACWW. National Master Farm Homemaker's Guild, Women's National Farm and Garden Association, and National Volunteer Outreach Network, Inc. and affiliated state societies currently have CWC membership. Individual membership in ACWW also entitles a person to participate in CWC.

The Maryland FCE President shall represent the association at annual CWC and triennial conferences of ACWW.

Voting delegates should be knowledgeable of CWC and ACWW and choices of delegates will be made through the Board.

National Association for Family and Community Education

Family Community Leadership Spirit of FCL Award

Purpose and Qualifications for Award: One of the hallmarks of the FCL program is to assist members of a community in taking control of their lives and changing the world for the better. The application of this goal is demonstrated when an FCL trained individual (or team of individuals) assists a community group in actually bringing about the change. In order for that to happen, there must be education and leadership. But the award is given to someone who has the FCL training and has provided education and leadership to a community group beyond the membership of FCE. The result is the empowerment of that community group and the actions taken by it. The nomination from must clearly indicate the community action as well as the involvement of the nominee(s).

Eligibility: This award is sponsored by the National Association for Family and Community Education and was developed with W. K. Kellogg Foundation funds. Any individual/team who has completed 30 hours of Family Community Leadership training is eligible except National Board members who are not eligible while serving on the National Board and one year following their service. Individuals/teams nominated in previous years are eligible to be nominated again. Nominated individual(s) must have the completed/worked on their actions within the past three years.

Procedure: There may be one nomination per state. The individual or team is to be nominated through a state FCE organization, though they need not be members of FCE to receive the award. Please complete this form and enclose the supplemental information. Make copies for your records and **mail the original with photo** to National FCE Headquarters. (Address on application form)

PURPOSE: *Recognize local FCE groups or individual FCE members who through their community service projects are changing the lives of others for the better.*

Because of who we are and what we do, we are active in changing the lives around us for the better. Many of the projects that members work on deserve recognition but do not fall under the umbrella of any of the National FCE program awards. This award will encompass and honor those projects.

RECOGNITION of the project will be given to **one entry** from each state. Each state will receive a **CERTIFICATE and a set of HEARTH FIRE LESSONS**. *(The State organizations can recognize any entries however they choose.)*

Each submission must include a program report book and a brochure. Entry books will be submitted on 8½X11 paper, stapled together, and will follow the format listed below. Award brochures should include pictures, facts and information about the project that helps you tell your story, and encourages others to seek more information about the organization.

A copy of the program report book and a brochure need to be mailed, by the State Affiliate, to National FCE Headquarters, 73 Cavalier Blvd Ste 106, Florence KY 41042, postmarked by April 15, of the current year.

HELP US BUILD AN FCE LEGACY

**Together,
We will make a difference**

Our Values: We believe that every PERSON can make a difference WE believe in supporting philanthropic work that will effect positive change in the lives of our members, their families, and their communities

Our Vision: We desire to secure the National Association for Family and Community Education for generations to come. The goal is to build “The Legacy,” a fund that will stabilize National FCE fiscally, and in time, assist participating states through grants awarded by the National organization. Hopefully “The Legacy” will continue to build, as we continue on our pathway of life in FCE.

Estate Planning: It is the accumulation, management, conservation and transfer of wealth considering legal, tax, and personal objectives. It is about planning for risks; risks of untimely death and its consequences, ill health, artificially sustaining life, immaturity of heirs and application of state intestacy rules. It can be very complex, so much so that it will be our job to direct you to the experts.

What kind of legacy do you want to leave for your loved ones? THINK ABOUT IT.

Only 30% have one. DO YOU??? Seven out of ten adults nationally fail to execute their right to a will. As a result, family members and friends unnecessarily lose millions perhaps billions of dollars because people don’t plan ahead. If you don’t have a will, and/or a plan of where you want your asset distributed when you die, then your estate will likely, go through a court-assisted probate and the state where you live may share in your assets.

To get started on a will, first think “who do you want to leave your estate to?” Think of your family first, a friend perhaps, your church, a school, an organization or whoever you feel deserves a portion of your estate. We hope that when the time comes you will think of “The Legacy” as those who come after you work to carry on what you have helped build.

**Thank you for your consideration of “The Legacy”

HELP US BUILD AN FCE LEGACY

100% of your Legacy donation will be deposited into an account that will help reduce the cost of operating FCE nationally in the years to come.

As membership declines, so do the available funds to operate National FCE

WE NEED TO DO SOMETHING FOR THE FUTURE OF THE ORGANIZATION.

YES, I want to be part of building a LEGACY whereby the interest from the fund will be used to maintain the quality of my organization, locally and nationally. Only a percentage of the interest from the fund will be used to benefit FCE, and will continue to assist the generations that come after me.

Venia Kellar Loan and Grant Fund History

Venia M. Kellar was born, raised and educated in the Midwest of the United States. She became a “Home Demonstration Agent” in Dorchester County, Maryland in 1917. Over the years, she became Assistant Director of Extension in Maryland. She pioneered the first Rural Women’s Short Course in 1923. The third week of June was “back to school week” with as many as 1,300 women attending Rural Women’s Short Course at the University of Maryland, College Park. She believed in commending the work of the State Homemakers and was a great encouragement to the members. Miss Kellar was an organizer; she planned well and left nothing to chance. She was a perfectionist and she ruled with an iron fist. Her vision and organized efforts placed the Maryland Homemakers way ahead of other state organizations. She retired in 1951, the 25th anniversary of Short Course.

In June 1950, a scholarship fund was started. Later it was decided to name it the Venia Kellar Loan and Grant Fund. A traditional scholarship was established in 1978 for any Maryland woman working toward finishing her formal education. It is also available on a rotating basis for first-timers to attend Maryland FCE Annual Conference. This fund exists today.
